

## SUBMISSION CHECKLIST

Dear Author,

Before submitting your work, please ensure that the uploaded files are complete and include the following:

- title of the work in both English and Italian
- keywords in both English and Italian
- abstract in both English and Italian
- tables, figures, and their respective captions
- bibliography
- complete author informations

Please also ensure that:

- you have carefully proofread the entire manuscript for spelling and grammatical errors.
- the bibliography is formatted correctly and that all references listed are actually cited in the text and vice versa.
- images and tables are attached separately, in the required format, and with a clear indication of whether they should be printed in color or black and white.
- the file containing the figure captions clearly references the corresponding figures.
- a corresponding author is identified by complete contact details (name, mailing address, and email).
- copyright permissions are in place. (including the internet).
- informed consents and/or Ethics Committee approvals have been obtained, if necessary.

For further details and clarification on any item, please refer to the chapter on Instructions for Authors.
